### JRA Craft Study Tours

The JRA is leading several outstanding craft study tours in the upcoming months. These tours are great fun as opportunities to view craft art, to meet craft artists in their studios and to learn about their methods and influences. See [www.jra.org](http://www.jra.org) for more details.

### Joyce J. Scott at the Baltimore Museum of Art

JRA Master of the Medium Joyce J. Scott along with her mother Elizabeth Talford Scott are represented in an exhibition at the Baltimore Museum of Art. Those of us who have been fortunate to hear Joyce speak know how often she mentions how influential her mother was to her art and to her becoming an artist. The show runs through December.
