JRA Distinguished Artist Series 2017-2018

The JRA staff and volunteers are presenting four stellar artists for our 2017-2018 JRA Distinguished Artist Series. The artists consider being selected a great honor. For this series, the artists are Alex Bernstein, glass; Sonia King, mosaics, Chris Antemann, ceramics, and Sharon Church, jewelry. The workshop allows an intimate look at the methods and influences that have motivated their work, besides getting to play with the fascinating members and area artists who participate in the events. Each artist also will give a lecture on Sunday, which is free and open to the public. Now is the time to register for the full series or for any individual workshop. The first workshop is September 23. See www.jra.org for more details.

Art Alliance for Contemporary Glass 30 Years

Congratulations to the Art Alliance for Contemporary Glass on their 30th anniversary. The alliance supports the development and appreciation of contemporary glass art and artists. The alliance may be best known for its co-sponsorship of Glass Weekend at Wheaton Arts in Millville, NJ.

Baltimore Clayworks Closed

Despite our fervent wishes that it would not happen, the Baltimore Clayworks has been forced to cease operations. The Clayworks promoted major and emerging artists for decades. Most of the country's major ceramic artists have either given workshops or exhibited at the facility. The closure will provide a big gap in the craft scene. Nothing can replace the knowledge and joy of discovering and touching craft art in person.
